

SUPERIOR COURT OF CALIFORNIA, COUNTY OF SANTA CLARA

AAMER LATIF v. NISHAN SYSTEMS, INC. et al.  
CASE NO. 1-03-CV-004939

ORDER

Defendants' motion for order designating discovery confidential, and joinders therein, were heard and on October 22, 2004. Many papers were submitted along with moving parties' reply brief. For that reason, and with agreement of all counsel, plaintiff was permitted to make a written submission to the court. That was accomplished by letter dated November 9, 2004. The court directed that, upon that submission, the matter would be submitted for decision.

The matter having been submitted for decision:

GOOD CAUSE APPEARING:

The motion is denied. The declarations submitted by plaintiff, which essentially state that people would like to see the documents, had no bearing on the court's decision.
